REGISTRASI

https://www.zotero.org/

The screenshot shows the Zotero website homepage. At the top left is the 'zotero' logo. To the right are links for 'Log In' and 'Register', and a blue 'Upgrade Storage' button. Below these is a navigation bar with links: 'Home', 'Groups', 'People', 'Documentation', 'Forums', and 'Get Involved'. A search bar labeled 'Search support' is on the right. The main content area features a description of Zotero as a free tool to collect, organize, cite, and share research sources. A large red 'Download Now' button is prominent, with text below it stating 'Available for Mac, Windows, and Linux'. Below this is a row of five icons with labels: 'Collect' (book icon), 'Organize' (folder icon), 'Cite' (notepad icon), 'Sync' (circular arrows icon), and 'Collaborate' (group of people icon). The text 'Grab your research with a single click.' is centered below these icons. Further down, it says 'A personal research assistant.' and provides a detailed description of the tool's functionality. In the bottom right corner, there is a small inset image showing a browser's address bar with a 'Save to Zotero' button appearing over a bookmark icon.

Grab your research with a single click.

A personal research assistant.

Zotero is the only research tool that automatically senses content in your web browser, allowing you to add it to your personal library with a single click. Whether you're searching for a preprint on arXiv.org, a journal article from JSTOR, a news story from the *New York Times*, or a book from your university
